**The Honorable Dominic Pileggi and William S. Latoff
to be honored at the Chester County Historical Society's
Founders Award Dinner**

Thursday, October 28, 2010

On Tuesday, November 9, 2010, Chester County Historical Society will honor The Honorable Dominic Pileggi, Majority Leader of the Pennsylvania Senate, and William S. Latoff, Chairman and CEO of DNB First at its prestigious Founders Award Dinner. This event, which brings together CEOs, company presidents and political leaders in the region, is an opportunity to acknowledge outstanding community leaders. This year's honorees have been long time advocates for CCHS and embody the spirit of their respective awards, the newly introduced Senator Robert J. Thompson Award and the Founders Award.

The Chester County Historical Society would like to thank our Presenting Sponsor DNB First and all of our sponsors for their generous contributions. A special thank you to CCHS's 2010 Founders Award Dinner Committee Chair Vincent T. Donohue and committee members: Joseph "Skip" Brion, Thomas V. Chiomento III, Brian DiSabatino, Christopher H. Franklin, Albert J. Melfi Jr., Robert F. Powelson, and Cuyler H. Walker.

The award will be presented the evening of Tuesday, November 9, 2010 from 5:30pm – 8:30pm at the Mendenhall Inn Grand Ballroom, Route 52, Kennett Pike, in Mendenhall. Sponsorships and individual tickets are still available for purchase. Please contact David Reinfeld at dreinfeld@chestercohistorical.org

The Chester County Historical Society is widely respected as one of the Commonwealth's premier history museums and educational centers, playing an important role in history education, cultural diversity and economic impact for the Philadelphia region. Drawing on over 300 years of artifacts and documents collected, preserved and interpreted since 1893, CCHS delivers dynamic thought-provoking programs and exhibits to over 30,000 children and adults a year. As the designated Historical Society for Chester County, we take great pride in our role in developing the next generation of civically engaged and informed citizens – the foundation that will secure the future of our democracy.
