

## EXPLORE & SAVE MEMBER BENEFIT

Show your membership card and save \$2 on general adult admission at Brandywine Valley attractions. Visit the web for details and a complete listing of participants.

The Explore & Save Member Benefit offers a variety of opportunities at many local attractions ranging from art to nature to science and history. There is something for everyone to enjoy! This new benefit was created to enhance your membership experience, as well as to promote visitation to many of the Brandywine Valley's cultural treasures.

Visit the participating organization's website for hours of operation, location and special exhibit and event information. And don't forget, unique products and delicious fare are available in gifts shops and onsite restaurants and cafés. If you enjoy your visit, we encourage you to consider applying your paid admission towards an annual membership. Support the Brandywine Valley's treasures!

Please read the following guidelines, which apply to all participating organizations:

### DISCOUNT

- Valid for **general one-day adult admission** only.
- **A maximum of two discounts** will be given per household membership. Individual memberships will receive one admission discount.
- **Cannot be combined with other admission discounts and offerings.**
- Active membership is required to receive discount.
- Membership card must be presented in order to obtain general adult admission discount at participating organization.
- Discounts given to named cardholding members only.

### VISITING

- Not applicable for any **special events**.
- **Blackout dates** for each organization are listed on the reverse side.

### QUESTIONS

- For questions, please contact your member organization directly.
- Participants subject to change without notice.
