2017 Regional NHD Competition for Students in Chester and Delaware Counties

Preserve and Share Local History

Make local history real by choosing a topic related to the history of Chester or Delaware Counties. Researching a subject linked to the history of your community gives greater meaning to your work, and may make finding primary sources more interesting!

Tell us how your NHD topic relates to either Chester or Delaware County, and show that at least one primary source was found at a museum, library, archive, or historical site in either of those counties. Scan or email a copy of this form to sepaNHD@chestercohistorical.org by 5pm on Fri, February 17, 2017 to be considered for the Local History prize.

Two monetary prizes will be given in both the Senior and Junior Division for the best projects related to local history.
