Date Published: 2018
Author: Pamela Powell, Photo Archivist

History

Background note:

The majority of the photographs were taken by David Brinton, 1864-1945, son of Joseph Brinton and his first wife, Mary Howland. Charles Brinton, 1876-1848 was his half-brother, the son of Joseph Brinton and his second wife Anna M. Howland (sister of Mary Howland). Charles spent his life at Spring Hope Farm as a farmer and manufacturer of paper bags.

David Brinton was born at Ercildoun and educated at Westtown School. Not taking to the life on the farm, Brinton assumed the management of his father’s creamery, grist & saw mill. Over the years a grocery store and coal yard were added to the business. Brinton also became the local Justice of the Peace.

He became the postmaster at the newly established post office of Timicula in 1890. The post office was located in the Spring Hope Creamery and Mill, E. Fallowfield Twp., PA on the line of the Pomeroy & Newark Railroad. Due to the difficulty people had in spelling and pronouncing the Indian name Timicula, the name was changed to Glen Rose in 1912. David Brinton continued as postmaster until 1922, when he was succeeded by his sister, Jane Brinton.

In 1901, David Brinton Married Eleanor Peet Fisher and the couple raised four children: Sarah, Mary, Arthur and William. David Brinton moved to West Chester in 1920 to take over the

management of the Feed Store of Thomas Haines & Co. He later became the steward the Chester County Hospital. Ill health forced his retirement. He passed away in 1945. A lifelong Friend, he was active in the Chestnut Street (orthodox) Meeting in West Chester.

Arrangement

The photo archivist imposed a numbering system on the negatives since they were received with no discernable order. The information for the negative inventory was transcribed from the original negative envelopes.

Access and Use

Access Restrictions

None. Reference prints are available for viewing by researchers.

Acquisition Information

The family of David Brinton donated the collection of glass plate negatives. The negatives were contacted printed by volunteer Mary Painter in CCHS darkroom in 2008.

Preferred Citation
